

URGENT MISA BULLETIN

10 FEBRUARY 2010

It is necessary to inform MISA members and potential members of successes achieved on behalf of members.

This shows the real value of joining and remaining a member due to the benefits and services which MISA provides.

Mr. P.G. Vurgarellis, a MISA member, was employed by AMH t/a TATA Germiston Multifranchise.

His services were terminated and on 10 April 2007. MISA referred a dispute to the Dispute Resolution Centre (DRC).

On 17 October 2007 an arbitration award was issued in favour of MISA and our member, ordering AMH to pay to Mr. Vurgarellis an amount of R170 000-00 on or before 15 November 2007.

AMH took the arbitration award on review which MISA opposed.

For some obscure reason, to this date still unknown, the case file went missing at the Labour Court.

MISA did not relent on this issue and submitted a duplicate file !

Eventually on 19 January 2010, the Labour Court dismissed the review application by AMH and made the arbitration award an order of Court.

AMH had to pay R170 000-00 plus interest of R57 247-00 and legal costs of ± R63 000-00 by not later than 26 January 2010.

AMH failed to pay as required.

However, their financial department showed their efficiency on 03 February 2010 with a payment when the Sheriff of the Court arrived to attach movable property.

Mr. Vurgarellis received R228 547-53 at no cost to himself other than his MISA membership fees !

This is the assurance and service MISA members receive when required !
